Dear parent/ carers,

We are pleased to be able to share with you the details for visits to Primary Schools that will take place in Term 6 for current Year 6 students.

During these visits, our team will:

- **Meet with your child's teacher(s) and relevant teams:** This will allow us to gain valuable insights into your child's academic progress, learning style, and any specific needs they may have.
- **Conduct group transition meetings:** We will have the opportunity to meet with your child as a group to discuss their thoughts and any questions they may have about starting secondary school.

These visits are a crucial part of our transition process, allowing us to build a strong foundation for your child's success at Leigh Academy Minster. We believe that close collaboration between primary and secondary schools is essential for a successful transition.

It's not standard practice for secondary schools to hold individual meetings with parents/ carers, which is why we visit primary schools; should further discussion be necessary, the academy will contact you directly.

We will be working closely with all Primary Schools to ensure these visits are conducted in a way that minimises disruption to your child's learning.

We look forward to meeting with your child and working with you to ensure a positive and successful transition to Leigh Academy Minster.

Yours Sincerely,
