

3rd June 2025

Dear parent/carer,

Leigh Academy Minster - Cody College Eligibility Criteria

All students at Leigh Academy Minster are provided with outstanding wrap-around pastoral care through our Small School College model, with all students in year 7 joining one of our three colleges: Cody, Johnson and Wright. Cody College is the academy's 'Grammar College', with students provided with an adapted curriculum that mirrors the outstanding Sir Joseph Williamson's Grammar School (a member of Leigh Academies Trust).

Leigh Academy Minster is due to undertake its college allocation process in the coming weeks for students entering Year 7, with all students eligible to join Cody College through our published eligibility criteria that can be found [here](#) on our website.

Students who have passed their Kent and/or Medway test are automatically eligible for Cody College. However, this information has not been shared with Leigh Academy Minster. The academy therefore requires parents to email proof of their child's passed test to: admissions@laminster.org.uk by no later than **Friday 27th June**. Submission of evidence after this date may not be considered.

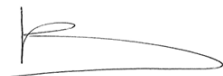

The Academy defines proof as:

1. A scanned copy of the child's test results and/or confirmation letter; or
2. A photo of the child's test results and/or confirmation letter.

Thank you in advance for your support in providing this evidence by the required deadline. The Academy will write to you again prior to the summer break to confirm your child's college. Further information on LAM can be found on our website and social media channels.

Please also feel free to contact us directly if you have any further questions via info@laminster.org.uk.

Yours faithfully,

Mr. M. Stevens
Principal Designate for Leigh Academy Minster
